

## Sewn Flags

**A traditional manufacturing method with modern results – sewn flags epitomise quality and create a lasting first impression.**

A machine-sewn flag is the ideal choice, whether a national flag for use at a conference or a custom flag featuring a company design or logo.

Made with care by our in-house skilled machinists, sewn flags are manufactured from 100% polyester fabric and are strong, durable and offer instant visual impact.

Each flag is supplied ready to fly – either roped and toggled or fitted with brass Englefield clips.

Sewn national flags from every country are available in a choice of nine standard sizes from 1/2 yard to 6 yard with bespoke sizes available on request.

**Sewn flags – superior quality with stunning results**
